

Lower St. Johns River Initiative
Technical Advisory Committee Meeting
9:30 am – 12:00 pm
Tuesday, August 27, 2002
FDEP-Northeast District Office
Conference Room A

Agenda

9:30-9:40 Welcome and Introductions—John Hendrickson, SJRWMD

9:40-10:10 Discussion of Special Legislative Appropriations Priority List (Larry Danek/Dean Campbell)

***Purpose:** Provide feedback to TAC members on the results of ranking specific projects as well as overall funding priorities. Provide an opportunity for TAC members to make comments on the priorities before the results are forwarded to the Planning and Executive Committees.*

***Action Needed:** TAC comments and recommendation to forward priority list to the agencies for further consideration by the Planning and Executive Committees.*

10:10-11:15 Updating Monitoring Goals for the Lower St. Johns River—Tiffany Busby

***Purpose:** To identify overall monitoring needs for the Lower St. Johns River Basin. This information will be provided to participants of the River Summit as well as funding agencies. Additionally, covering monitoring specifically at this time will allow the discussion during the September workshop to focus on Resource Goals.*

1. Known Monitoring Programs (Information for the Water Quality Atlas)
2. Existing Monitoring Goals
3. Adding/Deleting/Editing Lower St. Johns River Monitoring Goals

11:15-12:00 Technical Reports & Updates (5 minutes/report)

***Purpose:** Provide information to TAC members about technical activities and actions taken by Initiative Committees and other groups in the Lower St. Johns River Basin.*
